Location: Sugar Land Art Center
104 Industrial Blvd # Q
Sugar Land, TX 77478

Cost: \$360 (eight, 3-hour classes)

Please Note: There are no refunds for missed classes.

In this class we will review the classic measurements of the face and its features to provide a good foundation for producing the best likeness of your subject. Students will work in black and white charcoal on toned papers. We will start with pre-toned papers and move to producing our own tinted papers using watercolor washes. Students may work from their own photo references or copy master drawings provided by the instructor.
